Movies Page

Main navigation:
- **Home** – http://sotd.us/randywilley/CEN1400/project/module06/index.html
- **Movies** – http:// sotd.us/randywilley/CEN1400/project/module06/movies.html
- **Contact** – http:// sotd.us/randywilley/CEN1400/project/module06/contact.html

**Search**: upon entering search string, the movie title listing will be filtered if matches are found.

Movie Listing: upon clicking on a movie title, a pain will open from the left to display details about the selected movie.

User Favorite Movie: upon entering a value in the Favorite Movie test field and clicking the Save button, the users entry will be stored in local storage. When the user navigates back to the Movies page, their last entered value, if provided, will be displayed.
